

HARBORTOUCH®
A SHIFT4 COMPANY

HARBORTOUCH CHECKOUT™

An Easy-to-Use POS Solution for Retail Businesses

Harbortouch Checkout™ delivers an easy-to-use POS solution with all of the features you need for your retail store.

Save time and money with Harbortouch Checkout for retail businesses. Efficiently manage your business - whether it's a clothing store, convenience store, hardware store, or any other type of retail location - so that you can focus on what's important: keeping your customers satisfied and spending!

BENEFIT FROM ADVANCED SOFTWARE WITH TOP-OF-THE-LINE HARDWARE

State-of-the-art POS software provides all the features and functionality needed to support your business while high-end hardware provides the reliability you need.

PROFESSIONAL INSTALLATION, COMPREHENSIVE TRAINING & 24 HOUR SUPPORT

Your POS system will be professionally installed by one of our certified technicians. We provide preliminary onsite training and extensive remote training to make sure you are proficient with your new system. In-house customer service and technical support are available 24 hours a day, 7 days a week.

EMV & NFC READY

Every system includes a free customer-facing PIN pad that supports PIN debit, EBT, EMV chip cards and NFC payments including Apple Pay™ and Android Pay™.

UTILIZE COUNTLESS TIME AND MONEY SAVING FEATURES

Increase operational efficiency, minimize ordering errors and reduce shrinkage. More accurate employee time tracking reduces payroll while Harbortouch's reporting capabilities help you decrease accounting and bookkeeping expenses.

POWERFUL REPORTING CAPABILITIES

A wide range of reports, including your key performance indicators, will provide you with a top-level view of your operations so that you can make more informed business decisions. Harbortouch's powerful Lighthouse platform provides you with remote access to your reports anytime, anywhere.

HYBRID CLOUD

Hybrid cloud technology provides the benefits of the cloud such as real-time reporting and redundant back-up while maintaining the advantages of a local system including faster speed and the ability to operate if the Internet goes down.

*All free equipment programs require a Merchant Transaction Processing Agreement. Additionally, the free POS program requires Harbortouch POS System Service Agreement. See Processing Agreement and Service Agreement terms and conditions for complete details.

**Shipping charges apply. Equipment malfunction must be as a result of normal usage. Harbortouch Merchant Account must be in good standing to qualify. See Service Agreement terms and conditions for complete details.

BENEFIT FROM A WIDE RANGE OF USEFUL FEATURES

- **Remote Reporting:** Access processing reports, sales reports, and labor reports online from the Lighthouse™ portal.
- **Inventory Tracking:** Monitor quantity on-hand and receive notifications when you are running low on a particular item. You can also manage your inventory remotely using our online portal.
- **Customer Database:** Manage your frequent customers and their purchase history, as well as their email address and phone number for marketing purposes.
- **Employee Management:** Manage your employee database and monitor transactions for each employee.
- **Shift Scheduling & Time Clock:** Schedule employee shifts and track hours worked through the system's built-in time clock.
- **Flexible Discounting:** You can set manual discounts as well as automatic discounts for specific dates or times.
- **Loyalty:** Maintain a loyalty program by tracking reward points and allowing customers to redeem them after a certain threshold has been reached.
- **Text and Email Marketing:** Email and text message marketing campaigns can be managed directly from the POS system.
- **Bundle Pricing:** Sell a package or certain quantity of a particular product for a lower price than if the items are purchased separately.
- **Purchase Orders:** You can create purchase orders directly through Lighthouse for easy inventory management and item reorders.
- **Commissions:** Track commissions for your employees based on the items they sell.
